IMPORTANT NOTICE – ATTENTION WARRANTY RETURNS DEPARTMENT

Dear Proheat Canadian Customer:

Please note a change in procedure for submitting warranty claims and returning parts to Proheat for warranty.

All warranty claim forms are to be submitted electronically by filling in the online form on the Proheat website: <http://www.proheat.com/support/warranty.php>

Return of defective parts:

Per the Proheat Warranty Policy, parts are to be returned only upon request from the Warranty Administrator. Following a claim submission, please retain all claimed components until a decision has been made by the Warranty Administrator regarding their disposition.

Please use the following information when returning Proheat Warranty parts.

Shipping origin – Canada

Less than 150 lbs. per package and NOT on a pallet:

A 5 digit RGA number and Proheat Heater part number along with “HEATER WARRANTY RETURN” must be clearly written on the Freight bill and Packing list.

Shipments received without this information will be rejected.
